

**DEPARTMENT OF TRANSPORTATION  
JOB OPPORTUNITY  
Transportation Engineer 3 (Engineering)  
Bureau of Engineering and Construction**

**PLEASE FOLLOW THE SPECIFIC APPLICATION FILING INSTRUCTIONS AT THE BOTTOM OF THIS PAGE!**

Open To: The Public (Refer to "Eligibility" section below)  
Location: Office of Engineering – Newington Office  
Job Posting No.: 109839  
Hours: 40 hours per week  
Closing Date: February 27, 2015, 4:00 p.m.  
Salary: Pay grade FS-27a, \$79,156-\$108,324 annually plus full State of CT benefits

There is currently a Transportation Engineer 3 (Engineering) opportunity available in the Division of Highway Design in the Bureau of Engineering and Construction in the State Highway Design Unit. The results of this posting and interview process may be used to fill positions in the Division of Highway Design, State Highway Design Unit, State Design-Consultant Design Unit, Local Roads Unit and in the Project Development Unit for 12 months.

**Position Description:** These positions serve as either a lead engineer or as an advanced working level engineer involved in performing complex engineering or related tasks in the design of highways or other transportation projects. Duties include, but are not limited to, leading highway design engineers or consulting engineers in the preparation of plans, specifications and estimates for transportation improvement projects; conducting field and office investigations of engineering, technical or other problems; preparing technical reports and justifying their recommendations; performing complex design work and technical review of plans, specifications and estimates prepared by staff and consultants; performing advanced engineering functions required in reviewing, revising and initiating preliminary concepts for projects.

**Preferred Knowledge, Skills and Abilities:** Considerable knowledge of the principles and practices of transportation engineering including highway design and traffic engineering; considerable creative ability in highway and traffic engineering including the ability to analyze problems and recommend solutions; knowledge of administrative and financial procedures related to the project development process; considerable oral and written communication skills including public speaking; ability to work as a team.

Successful candidates for these positions must be available to attend public meetings outside of normal working hours, when necessary.

**Eligibility:** Candidates must have passed the Transportation Engineer 3 (Engineering) exam and be on a current certification list promulgated by the Department of Administrative Services. State employees who currently hold this title or those who have previously attained permanent status in this title since their most recent hire date, may apply for lateral transfer.

**Application Instructions:** Submit a cover letter which states your interest and suitability for the position(s), resume, and [application \(State of Connecticut Application for Examination of Employment Form CT-HR-12\)](#). State employees must also submit copies of last two service ratings received. Send to:

Ms. Denise Maura  
DOT Bureau of Engineering and Construction, Room 3314  
2800 Berlin Turnpike, Newington, CT 06131-7546

Interviews may be limited to candidates whose experience and training most closely meet the requirements of the positions. Late and incomplete applications will not be considered.

**AN AFFIRMATIVE ACTION/EQUAL OPPORTUNITY EMPLOYER**

The State of Connecticut is an equal opportunity/affirmative action employer and strongly encourages the applications of women, minorities, and persons with disabilities.
